### DESCRIPTION OF MAJOR SERVICES

This program provides federal and state advocacy services to the County of San Bernardino. On February 5, 2002, the Board of Supervisors approved an administrative report that recommended numerous enhancements to San Bernardino County's legislative program. Through the continued restructuring of federal and state advocacy offices, two advocates currently represent the County. The creation of this budget unit was approved by the Board of Supervisors on December 17, 2002 and was established to consolidate expenses associated with state and federal advocacy efforts.

In 2006-07, the department will incur increased costs to maintain current services, such as negotiated labor agreements, retirement, risk management, central computer and inflationary services and supplies purchases; and will incur decreased costs in worker's compensation. These costs are reflected in the Change From 2005-06 Final Budget column, along with changes related to department recommendations.

The most significant change in this budget unit is the addition of 1.0 staff position to provide support services to the Director. Funding for this new staff position was made available by a corresponding reduction in the services and supplies appropriation, which resulted from budgeting services and supply costs based on the historical actual costs.
